LANGUAGES

English · Native Fluency

Sesotho · Home Language

isiZulu · Fluent

Afrikaans · Basic

Japanese · Elementary

WeBarter · E-commerce website

Developed a responsive e-commerce website using HTML, CSS, and JavaScript. Implemented front-end functionalities with ReactJS. Utilized GitHub for version control and collaborative work. Integrated payment gateways and optimized website performance.

Nytelife · Event Hosting web-app

Nytelife is a platform that makes it easier to list events by providing a unique map view that shows events around the area and how far they are from individual users, making it more engaging for attendees to discover events.
